PROJECT IDEA 2

Leaky water and leaky data

HISTORY

Only one weapon was left him — words. With words, he would launch his last campaign. Day after day, he dictated his memoirs, forging the story of his life into the stuff of legend.

"History is a set of lies that people have agreed upon," Napoleon said. "Even when I am gone, I shall remain in people's minds the star of their rights, my name will be the war cry of their efforts, the motto of their hopes."

Napoleon following his exile to St. Helena in 1815
